## Today in the Ausseerland

### Altaussee Museum of Literature

The newly designed Altaussee Literature Museum showcases literary personalities, original artefacts such as the Herzl bicycle and Torberg's voice. Complemented by local history and Jandl's curiosities, it offers highlights for literature lovers with English display boards and a bookshop.

### Grimming

The Grimming is an isolated massif between the Enns Valley and the Hinterberg Valley. It is an imposing figure and before the mountains were measured in detail, it was long thought to be the highest mountain in Styria. Many paths lead up the Grimming. They are all challenging in the end, but the summit climb is all the more memorable and scenically impressive.
