

Weekly program

9 to 18 May 2025

Extrawurst - Comedy

What begins as a simple vote on a new club barbecue turns into a heated debate: should there be a separate barbecue for the only Turkish member? A well-intentioned idea brings the club to the brink of division. How much tolerance can the community tolerate? Where does cultural consideration begin - and where does it end? With sharp wit and plenty of pace, the play shows how a seemingly banal topic raises fundamental questions about living together, religion, identity and integration. Tickets are available online at www.stadttheater-murau.at as well as from the municipality of Murau and the Murau tourist office.
