Today in the Ausseerland

Boulderbox Bad Mitterndorf

Bouldering is climbing without a rope on rock faces or in climbing gyms. The climbing box offers six abseiling points and bouldering routes in various levels of difficulty (3 to 10). A campus board strengthens finger strength and a 30 cm thick mat ensures safety.

Gößl & village church Gößl

The small church in the district of Gößl was built by 14 Gößl families to avoid the arduous walk to Bad Aussee. Self-financed and lovingly maintained, it has been repeatedly renovated and enlarged over the years. Today, the church can be admired at events and masses - a historical gem full of history!

Sagtümpel - Tauplitz

The legendary "Sagtümpel" lies idyllically in the forest to the north-east of Tauplitz. It is a rare Vauclusian giant karst spring where the water rises from a deep spring lake.
