### Ranftlmühle mill

The "Ranftlmühle" mill combined with a short hike to the legendary Toplitzsee lake (approx. 35 to 40 minutes) is an excursion that is definitely worthwhile! Start in the district of Gößl and explore nature all the way to the tranquil mill, which is named after the painter Johann Matthias Ranftl. His subjects ranged from landscape painting to portraits and historical and religious altarpieces to genre painting, for which he is still best known today.
