Today in the Ausseerland

Grimming

The Grimming is an isolated massif between the Enns Valley and the Hinterberg Valley. It is an imposing figure and before the mountains were measured in detail, it was long thought to be the highest mountain in Styria. Many paths lead up the Grimming. They are all challenging in the end, but the summit climb is all the more memorable and scenically impressive.

Hand prints Sekyra

Just outside Bad Aussee, Markus Wach lovingly produces unique fabric prints by hand. The artistic individual pieces can be admired and purchased at the historic Meranplatz. A visit is worthwhile to discover the variety and beauty of these handmade products.
